Gillette Stadium Building P

Foxborough, Massachusetts

General Contractor:

Dellbrook / JKS

Architects:

SGA

Owner:

The Kraft Group

Contract Price:

\$4,341,000

Duration:

6 Months

SERVICES:

PLUMBING & HVAC

JOB SUMMARY:

Gillette Building P is a 100,000 sq ft addition at 1 Patriot Place in Foxborough. Harold Bros rigged (3) JCI DX cooling, natural gas re-heat rooftop units on top of a building that runs adjacent to the stadium. Electric reheat VAV boxes and Mitsubishi VRF units supplement the indoor heating and cooling systems. Duct mounted Atmosair air purification units were installed to ensure that air quality in the building maintains a high standard for building practices.
