MECHANICAL CONTRACTORS, INC.

# Skating Club of Boston

Norwood, Massachusetts

## General Contractor:

J. Calnan

## Engineer:

AHA

## Architect:

Troika

## Owner:

Skating Club of Boston

## Contract Price:

\$5,600,000

## Duration:

18 Months

## SERVICES: PLUMBING & HVAC

### JOB SUMMARY:

Construction of a 180,000 square foot facility. It consists of three rinks, a dance studio, team locker rooms, and more.

A 2,500 seat Olympic arena is part of the project, along with a 1,500-seat Olympic arena; the last rink is a 400 seat NHL size arena.

Also a 7,000 square foot building is host to an athlete training village where athletes can stay and receive medical treatment and rehabilitative care.

Harold Brothers performed all plumbing and HVAC on the entire project.
