Re: Recommendation for Future Work

Hi Pat,

I am writing to thank and commend the entire Harold Brothers team. for an outstanding job on the Beth Israel Deaconess Medical Center Needham Outpatient Clinical Center. Your Project Manager, Dan Cohen did an excellent job of leading your Plumbing and HVAC trades including subcontractors through a challenging project efficiently with issues resolved in an effective and timely manner. Submittals were produced quickly and completely, changes were priced competitively and executed quickly, and requisitions were produced on time and without revision. From manpower to materials, the schedule was managed effectively throughout the project and as a result the project was delivered on time and within budget. Dan brought a teamwork mentality to the jobsite and proactively sought prompt and effective solutions to jobsite issues. The tradesmen onsite, led by Tom Cronin, worked safely and produced quality work with minimal punch list. In closing, I am confident that given the opportunity, Harold Brothers Mechanical will be a valuable addition to any project team.

Sincerely,

Bond Brothers, Inc.

Michael McGarty, Sr. Project Manager
