Harold Brothers Mechanical

Dear Mr. John Harold:

I would like to commend Harold Brothers Mechanical Contractors, Inc. for an outstanding job on the B.M.C. Durfee High School Project. In my experience, Harold Brothers has proven to be an excellent mechanical contractor.

On this project, I worked closely with Project Manager Brian Stewart and Foreman George Faria who led the projects Plumbing trades efficiently and without issues. Submittals were produced quickly and completely, changes were priced competitively and executed quickly, and requisitions were produced on time and without revision. From manpower to materials, the schedule was managed effectively throughout the project and as a result the project was delivered on time and within budget.

Harold Brothers brought a teamwork mentality to the jobsite and proactively sought prompt and effective solutions to jobsite issues. The mechanics onsite worked safely and produced quality work with minimal punch-list.

In closing, I am confident that given the opportunity, Harold Brothers Mechanical will be a valuable addition to any project team.

Sincerely,

Erin Kenney
Project Manager
