Re: Recommendation for Future Work

To: John Harold

I would like to commend Harold Brothers Mechanical Contractors, Inc. for an outstanding job on the University of Massachusetts, Amherst - Design Building Project. In my experience, Harold Brothers has proven to be an excellent subcontractor. On this project, I worked closely with Harold Brothers Plumbing trade efficiently and without issues. Submittals were produced quickly and completely, changes were priced competitively and executed quickly, and requisitions were produced on time and with minimum revision. From manpower to materials, the schedule was managed effectively throughout the project and as a result the project was delivered on time and within budget. Harold Brothers brought a teamwork mentality to the jobsite and proactively sought prompt and effective solutions to jobsite issues. The mechanics onsite worked safely and produced quality work with minimal punchlist.

In closing, I am confident that given the opportunity, Harold Brothers Mechanical will be a valuable addition to any project team.
